MEMORANDUM FOR: Deputy Director (Administration)

25X1A

SUBJECT: [REDACTED]

25X1A Attached is the file dealing with the case of [REDACTED] 25X1A
[REDACTED] who was recruited in [REDACTED] for overseas duty, 25X1A
came to Washington for training, and then was assigned to permanent
duty in Washington. When he realized that he was being assigned
25X1A permanent duty he insisted that he had accepted the position for
overseas assignment and unless ordered overseas would resign. At
the time of his employment he was advised to leave his family in
[REDACTED] which he did.

25X1A A question has been raised as to whether [REDACTED] should
receive per diem or if his duty in Washington should be classified
as permanent in view of the fact that he was so assigned. There is
nothing on record to indicate that [REDACTED] was promised per diem
25X1A and in view of his permanent assignment here he would not, under the
regulations, be entitled to a status of temporary duty, and as a re-
sult would not be qualified to receive per diem and traveling ex-
penses for himself and family from [REDACTED]

25X1A This matter has been reviewed by the legal division and they have
held that legally [REDACTED] may not be entitled to allowances for
temporary duty in Washington. However, since he was given the impres-
sion by his recruiter that he would be sent overseas after a training
25X1A period in Washington and that it would be better to leave his family
in [REDACTED], the view was expressed that an administrative decision
could be made granting him the rights of a temporary employee allotted
for an overseas position.

25X1A The undersigned concurs in this opinion and recommends that the
DD/A approve the rights [REDACTED] would be entitled to if his orders
had assigned him to temporary duty in Washington pending overseas
assignment.
